EARN MONEY TOWARDS TUITION WHILE YOU SHOP WITH SCRIP!!!

SO... how does Scrip work?

It's REALLY simple!!! Fill out and return the attached Scrip agreement form to the front office. Then, purchase gift cards from a vendor of your choice where you normally shop or visit (from Speedway, to Applebees, to Kohl's).

Visit www.scripzone to view a list participating vendors! As you scroll through the vendors, you will see what portion of your gift card purchase is paid directly to the school. Of that percentage, approximately half goes to HCS, and the other half goes to you to put towards tuition, athletic fees, class trips, etc.! (For example, a \$100 gift card purchase at Land's End yields a 14% payback. By simply buying your kids winter necessities, you have contributed about \$7 to HCS, and your family has earned \$7 towards tuition, fees, etc.)

Gift cards can be purchased in 3 ways:

1. Log on to www.scripzone.com and create an individual user account. Then, support Horizon Christian Schools by joining our group. Our group ID is: 317826HCS
2. Email your order to Deana McClimon, our scrip coordinator. Her email address is: rinkydink1278@yahoo.com . Deana typically puts in orders on Monday, and cards are delivered on Friday.
3. Stop by the school office and purchase gift cards in our inventory. Simply write a check to HCS!

*If you have additional questions about Scrip, please contact Deana at rinkydink1278@yahoo.com .
